

# NEW OPPORTUNITIES FOR 2002

## **Lawyer - Commercial Litigation**

Due to increasing business our client has identified an immediate requirement for a dynamic young lawyer with commercial litigation experience. Ideally you will have 2 or more years PQE and be seeking to extend and develop your initial skills. An excellent remuneration package is offered with this position.

## **Lawyer - Capital Markets**

Our client, a key player in the international legal services market is seeking a lawyer with specialist knowledge of the establishment and operation of structured finance vehicles and asset-backed security issues. The successful candidate will have 2 to 4 years PQE specifically in these areas and with excellent client interface skills. An attractive remuneration package and excellent career development potential.

## **Trust Manager**

An International Private Banking Group with a local office is seeking a unique individual to manage a trust department. A varied role, it will suit a multi-disciplined professional able to manage a team of trust administrators.

## **Trust and Company Administrator**

We have a very interesting position for a Trust and Company Administrator seeking a more fulfilling and specialist role. You will have 2 years' plus experience and an industry qualification.

Please call Diana in the utmost confidence on 07797 754 911 for an informal discussion of these and many other excellent opportunities or e-mail: [diana@ict-commerce.com](mailto:diana@ict-commerce.com)
